

DrugSense® DS07 Saliva Drug Test Kit

Due to the increasing consumption of drugs in recent days, our society are more exposed to the adverse effects of drug consumption. Drugs are now more commonly abused, risking many drug users as well as their families around them. Many workplaces have also reinforced drug and alcohol testing to reduce the risks involved.

DrugSense® DSO 7 can provide you with the precaution you need at the comfort and privacy of your own home. It gives fast result and easy enough to use without getting professional Laboratory tests. DSO 7 uses a non-invasive method to test for 7 commonly-abused illicit drugs.
