AIR BUMP

FEATURES AND BENEFITS

- Full brim increases sun protection to wearer.
- Retro-reflective piping increases wearer visibility.
- AIR Bump Liner provides ultimate airflow with minimal weight.
- Foam Padded Insert Provides built in protection against bumps and scrapes in the workplace.
- Ventilation- Extra holes in the liner plus the two mesh panels on the outer mean added ventilation for coolness and comfort.
- Fully Adjustable - Toggle adjuster to quickly fit, giving true 'one size fits all' Sizing ranges from 53 to 64cm head size.
- Can be screen printed or embroidered.
- Low profile design, great for confined/tight spaces and ideal for worksites that are not hard hat compulsory.
- Toggle adjustable chin strap to secure in high winds or working at heights.
