TECHNICAL DATA SHEET

Product Description:

The Safety Plus™ Padlock protects workers from hazards during equipment maintenance activities. Padlocks will keep important energy source points locked and improve safety.

All Safety Plus™ Padlocks are supplied with 2 keys and padlock labels. Available in keying options: Keyed Differently (KD), Keyed Alike (KA), Keyed Alike Master Key and Keyed Differently Master Key.

Compliance:

Complies with requirements of AS 4024.1603-2016 Safety of Machinery and Australian Work Health and Safety Regulations 2011 (Part 4.7)

Applications:

The Safety Plus™ padlock is ideal for use in Mining, Manufacturing, Electrical, Mineral Processing, Confined Spaces and Food & Beverage.

It is designed exclusively for use in lockout applications with a 100% non-conductive body which protects workers and equipment. The durable and lightweight design meets WH&S lockout requirements and is well suited for use in harsh industrial environments and extreme temperatures.

Features:

- Non-conductive spark resistant body enhances safety in electrical applications plating
- One-piece lightweight plastic body for maximum durability
- Better Grip – designed for handling with gloves
- Full traceability with registration number
- Steel shackle for worker and environment protection
- 53 Nm torsion strength ensures the security of the padlock
- Corrosion and chemical resistant suitable for harsh environments
- 6 Pin Patented Keyway delivers optimum security and tamper proofing
- Key retaining safety feature prevents key from being removed until closed and is pick resistant
- Ribbed padlock body to improve handling whilst wearing gloves
- Additional key copies cannot be made without authorisation
- Supplied with two keys, DANGER and PROPERTY OF labels
- Body Dimensions 38mm (w) x 44mm (H) x 18mm (D), Shackle Dimensions 38mm (w) x 6.35mm (d)
- LOTO Device size: 44.4 x 114.3 x 8.8mm

SafetyQuip Product Information:

Product Code	**SLP850821 (Red)** SLP850816 (Blue) SLP850817 (Black) SLP850818 (Green) SLP850819 (Orange) SLP850820 (Yellow)
Description	Lockout Padlock Nylon Safety Plus Brady 850821 Steel Shackle - Red
Standard	AS 4024.1603-2016 Safety of Machinery and Australian Work Health and Safety Regulations 2011 (Part 4.7)
Pack Size	1 / Each
