

You can't help but notice our Barricade Tape range.

Be safety smart right from the start.

Take a look at the area you are working in to make sure it's safe for you and others. ProChoice has an increasing range of tapes, bollards and barriers to help keep people aware and away from workplace hazards.

Our range of 100 metre barricade tapes are made from heavy duty plastic and now come in two new colours, Blue/White and Green/White.
