

RUSH+ 2.0

MODULARITY & EFFICIENCY

The RUSH+ 2.0, our iconic model, is designed to withstand the harshest work environments, making it a trusted choice for all professionals. Recognised for its comfortable wear, RUSH+ 2.0 is engineered with wide opening hinges and a flexible nosepiece, ensuring a better fit by minimising gaps and reducing pressure points. To optimise its fit, RUSH+ 2.0 is available in two sizes; S and M/L. Lightweight and well balanced, RUSH+ 2.0 is also eco-friendly: made from 28% recycled materials. Its wide lens, coated with our exclusive Platinum anti-fog and anti-scratch solution, optimises the wearer's vision, while the variety of lens tints available make RUSH+ 2.0 suitable for even the most demanding work conditions.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
